

Ministry of Tourism, Environment and Culture: Tourism Facility Concessions

Expression of Interest for One Tourism Facility

The Ministry of Tourism, Environment and Culture (MTEC) of the Government of Lesotho is in the process to concession key tourism facilities constructed with the aim to lead initiatives to develop and promote the tourism business sector in Lesotho. As part of this endeavor, MTEC is publishing a concession for one (1) separate facility:

1. **Nazareth Caravan Park:** The Caravan Park (formerly known as Toll Gate) is located at Nazareth, Ha Ntsi. The facility was formerly utilized as a caravan park catering for the tourism route leading to Molimo-Nthuse and the Basotho Pony Trekking Centre. The facility is fenced and boasts of stone and thatched structures used as a reception, storage, kitchen, and restaurant and bar and a set of communal bathrooms and showers; the park consists of empty paved caravan spaces, an incinerator and braai stand spots. Electricity grid passes within the yard whereas a transformer and water connection were removed due to closure of the facility.

This facility is being procured as a separate concession. The Expression of Interest process has been launched.

MTEC now invites interested and experienced domestic and international events organizers, accommodation and property sector operators to submit Expression of Interest Applications on how best they can utilize the facility for tourism related purposes.

The application documents for the facility can be obtained at MTEC, Procurement, 6th Floor, Post Office Building and at the following website:
