MEDIA STATEMENT

AN UPDATE ON FRAZER SOLAR GMBH versus the Kingdom of Lesotho

The nation will recall that on the 31st July, 2021, the Office of the Prime Minister issued a media statement on developments regarding the Kingdom of Lesotho versus Frazer Solar GMBH and others (CIV 2020/33700).

In particular, the nation was informed that the matter would be heard on the 09th and 10th November, 2021.

Regrettably, following an unexpected filing on Friday, 29th October, 2021 of an application to intervene in the case by the South African Minister of Water and the Government of the Republic of South Africa, and pursuant to the case-management meeting held on Monday, 08th November, 2021 by all the concerned parties, the hearing of the case has been postponed to a date yet to be determined by all parties in consultation with the Deputy Judge President.

In the meantime, Fraser Solar GMBH will not enforce any writs of execution pending the determination of the case pending before court.
